

Policy on “Comments from the Public” at WOWDB Meetings

Approved 10.25.2017

The Western Oklahoma Workforce Development Board (WOWDB) desires to be open to the public and encourages communication in order to hear the viewpoints of citizens throughout the Western Workforce Area. The WOWDB considers the responsible presentation of these viewpoints vital to the efficient operations of the System and the WOWDB. System stakeholders, workforce partners, businesses, and other patrons are encouraged to attend WOWDB Meetings so that they may become better acquainted with the operation and programs of the Western Oklahoma Area, and that the WOWDB may have an opportunity to hear the wishes and ideas of the public.

The WOWDB will have an agenda item labeled “Comments from the Public” on each Regular WOWDB Meeting Agenda that affords citizens the right to speak on any action item on the Agenda for that meeting. Matters not on the Agenda are not proper subjects for discussion. Members of the public shall not be recognized or allowed to be heard or participate at any other time during the Meeting or while the WOWDB is conducting its official business. The purpose of the WOWDB meetings is to carry on the business of the Western Oklahoma Workforce Development Board in an orderly and businesslike manner. Therefore, the WOWDB sets the following rules for public participation at WOWDB meetings:

- A. All meetings of the Board will be open to the public.
- B. The Board shall conduct its business pursuant to the Oklahoma Open Meeting Act. The meetings are not public hearings, but are meetings held in the public. Spontaneous discussion from the audience will not be permitted.
- C. As the purpose of the “Comments from the Public” agenda item is to hear the comments, concerns and opinions of patrons, WOWDB Members and administrative staff shall not respond to questions from the public. The Oklahoma Open Meeting Act prevents the discussion or action by the WOWDB on any item presented under the “Comments from the Public” Agenda topic.
- D. Information about items on the agenda should be obtained from the Workforce Board Executive Director.
- E. All visitors shall be asked to list their names on the meeting’s attendance/sign-in sheet.
- F. Pursuant to the Oklahoma Open Meeting Act, an item must appear on the posted agenda if discussion and action are to occur.
- G. “Comments from the Public” is not when Workforce System Partners or stakeholders should discuss reports or provide updates of projects. An agenda item will be clearly labeled for these types of reports if such reports are necessary.
- H. Advanced requests to address the WOWDB is not required but will be accepted. Advance requests for permission to address the WOWDB must be submitted to the WOWDB Executive Director in writing no later than five days (not including weekends or holidays) preceding a meeting of the WOWDB. The request shall state the name of the individual or group submitting the request, a telephone number and mailing address, the purpose of the request and topic to be presented.

- I. The WOWDB Executive Director shall confer with the WOWDB Chair concerning whether the requested item should be placed on an agenda and, if so, the appropriate meeting for such discussion. The WOWDB Executive Director will respond to all written requests that an item be placed on an agenda.
- J. At the meeting, the WOWDB Chair shall recognize speakers, maintain proper order, and adhere to time limits established by this policy:
