Statutory Priority for Adult Funds

WIOA Section 134(c)(3)(E) **Priority** - With respect to funds allocated to a local area for adult employment and training activities, priority shall be given to recipients of public assistance, other low-income individuals, and individuals who are basic skills deficient for receipt of career services described in WIOA Section 134(c)(2)(A)(xii) and training services. The appropriate local board and the Governor shall direct the one-stop operators in the local area with regard to making determinations related to such priority.

Definitions

Veteran as defined in 38 U.S.C. 101(2) is a person who served at least one day in the active military, naval, or air service, and who is discharged or released under conditions other than dishonorable.

Eligible Spouse as defined at Section 2(a) of the JVA (38 U.S.C. 4215[a]) means the spouse of any of the following:

- a. Any Veteran who died of a service-connected disability;
- b. Any member of the armed forces serving on active duty who, at the time of application for the priority, is listed in one or more of the following categories and has so been listed for a total of more than 90 days:
 - i. Missing in action;
 - ii. Captured in the line of duty by hostile force; or
 - iii. Forcibly detained or interned in the line of duty by a foreign government or power;
- c. Any Veteran who has a total disability resulting from a service-connected disability, as evaluated by the Department of Veteran Affairs; or
- d. Any Veteran who died while a disability was in existence. A spouse whose eligibility is derived from a living veteran or service member (i.e., categories b. or c. above) would lose his or her eligibility if the veteran or service member were to lose the status that is the basis for the eligibility (e.g., If a Veteran with a total service-connected disability were to receive a revised disability rating at a lower level). Similarly, for a spouse whose eligibility is derived from a living

veteran of service member, that eligibility would be lost upon divorce from the veteran or service member.

Priority of Service for Veterans

Veterans and eligible spouses continue to receive priority of service for all DOL-funded employment training programs, which include WIOA programs. As for the DLW program, the only priority of service is the veteran’s priority of service. A veteran must, however, meet each program’s eligibility criteria to receive services under the respective employment and training program. For income-based eligibility determinations and for determining priority of service, military pay or allowances paid while on active duty or paid by the Department of Veterans Affairs (VA) for vocational rehabilitation, disability payments, or related VA-funded programs are not to be considered as income, in accordance with 38 U.S.C. 4213 and 20 CFR § 683.230.

When past income is an eligibility determinant for any Federal employment or training program, including the title I Adult and DLW programs, any amounts received as military pay or allowances by any person who served on active duty and certain other specified benefits, must be disregarded in making an eligibility determination. This applies to the veteran and to other individuals for whom those amounts would normally be applied, e.g., the military spouse. Military earnings are not to be included when calculating income for veterans or transitioning service members for priority of service, in accordance with 38 U.S.C. 4213.

To further clarify, VA benefits for education and training services do not constitute “other grant assistance” under WIOA’s eligibility requirements. Therefore, eligibility for VA benefits for education or training services do not preclude a veteran or the veteran’s eligible spouse from receiving WIOA funded services, including training funds. Similarly, WIOA program operators may not require veterans or spouses to exhaust their entitlement to VA funded training benefits prior to allowing them to enroll in WIOA funded training. (See **Attachment B** for the Priority Ranking Worksheet)

Statutory Priority and Barriers to Employment for Adult Programs

WOWDB continues to focus on the requirement to serve individuals with the barriers to employment listed in WIOA 3(24). All barriers to employment must be documented in the individual employment plan (IEP), including each of the barriers reported in the demographics section of the virtual case management system, as well as those later addressed during an interview, assessment or evaluation. The IEP must also document steps that will be taken to resolve the barriers, progress toward barrier removal, and indicate when the barrier has been resolved or removed.

The Statutory Priority and Special Populations for Adult Programs include individuals with the following barriers to employment:

1. Displaced homemakers, as defined in WIOA 3(16);
2. Low-income individuals;
3. Indigenous Americans, including individuals who identify as Native Americans or American Indians, Alaska Natives, and Native Hawaiians;
4. Individuals with disabilities, as defined in WIOA 3(25) and including individuals who are in receipt of Social Security Disability Insurance;
5. Older individuals (age 55 and older);
6. Ex-offenders; (Offender as defined in WIOA 3 (38));
7. Homeless individuals(as defined in section 41403(6) of the Violence Against Women Act of 1994 or a homeless child or youth as defined under section 725(2) of the McKinney-Vento Homeless Assistance Act;
8. Youth who are in or have aged out of the foster care system;
9. Individuals who are:
 - a. English language learners as defined in WIOA 203(7),
 - b. Individuals who have low levels of literacy, defined as an individual who is unable to compute or solve mathematical problems or read, write, or speak English at a level necessary to function on a job, in the individual's family, or in society; and
 - c. Individuals facing substantial cultural barriers;
10. Eligible migrant and seasonal farmworkers (as defined in WIOA 167(i)(1-3);
11. Individuals within two years of exhausting lifetime TANF eligibility;
12. Single parents (including single pregnant women);
13. Long-term unemployed individuals (unemployed for 27 or more consecutive weeks); and
14. Other groups the Governor determines to have barriers to employment.

Priority Populations Under WIOA

Due to the statutorily required priority for adult funds, priority must be provided in the following order:

- **Priority 1:** Veterans and eligible spouses who are included in the groups given statutory priority for WIOA Adult formula funds. This means that veterans and eligible spouses who are recipients of public assistance, low-income individuals, individuals who are basic skills deficient or English Language learners receive first priority for services provided with WIOA Adult formula funds for individualized career services and training services.
- **Priority 2:** Individuals who are not veterans or eligible spouses who are included in the groups given priority for WIOA Adult formula funds - recipients of public assistance, other low-income individuals, and individuals who are basic skills deficient or English language learners.
- **Priority 3:** Veterans and eligible spouses who are not low income or receiving public assistance, and those who are not basic skills deficient or English language learners that have a barrier to employment.
- **Priority 4:** WOWDB has locally established the following as Priority 4 population.
 - a. Any Public Health Program Recipient receiving benefits through DHS Medicaid (Sooner Care), **or**
 - b. Any Adult/DLW Applicant pursuing an Apprenticeship, OJT, or Incumbent Worker Training who is currently making less than the Self-Sufficient Wage of \$20.00 and an adult must have a qualifying barrier to employment.

Verification of Medicaid Benefits and/ or Participation in a RAP, OJT or IWT must be verified and uploaded into the virtual case management system.

- **Priority 5:** Non-covered persons outside the groups given priority for WIOA funding. This priority includes individuals who are considered to be particularly vulnerable due to specific barriers to employment, as listed in WIOA 3(24).

WOWDB Priority 4 Populations have been established in this policy and approved by the board.

The WOWDA elects to utilize Priority 1, 2, 3 & 4 only; this allows WOWDA to maximize the enrollment for targeted populations for the area. The WOWDB does not wish to serve individuals who do not meet the priority 1, 2, 3 or 4 requirements. When reviewing the funding levels and expenditures, the WOWDB may authorize the WOWDB Executive Director the authority to issue a memo or guidance to allow for Priority 5 population to be served only during a specific timeframe as designated by the board, at the board's discretion.

Instructions

The Adult and Dislocated Worker Eligibility Form, included as **Attachment A** to this issuance, must be completed for all Adult and DLW enrollments.

- Sections I – IV must be completed to document Adult Program eligibility.
- Section IV requires that each barrier to employment is checked that pertains to the individual identified in Section I. The completed form must then be uploaded as an enrollment document into the virtual case management system.
- Additionally, all barriers checked on the form must be addressed in the identified applicant's individual employment plan (IEP).
- The completed form must be uploaded into the virtual case management system and a program note entered in the participant's online file.

Priority of Service Guidelines for Training Services

Before any participant may receive any type of Training Service, there must be a determination of which Priority Group the participant belongs. To make this determination, a Workforce Oklahoma staff professional must collect and review documentary evidence to verify the participant's unique circumstances. An online case file must be created and appropriate documentation must be saved in the participant's file.

After each participant's Priority group has been determined, Training Services may be offered according to the following guidelines:

A participant must meet a certain threshold of need before receiving Training Services. Training Services may be offered to Adults and Dislocated Workers in accordance with WIOA §134(b)(3)(A)(i)—

- I. Who, after an interview, evaluation, or assessment, and career planning, have been determined by staff as appropriate to—
 - a. Be unlikely or unable to obtain or retain employment, that leads to economic self-sufficiency or wages comparable to or higher than wages from previous employment, through the career services as described in WIOA § 134(b)(2)(A)(xii);
 - b. Be in need of training services to obtain or retain employment that leads to economic self-sufficiency or wages comparable to or higher than wages from previous employment; and
 - c. Have the skills and qualification to successfully participate in the selected program of training services.
- II. Who select programs of training services that are directly linked to the employment opportunities in the local area or the planning region, or in another area to which the adults or dislocated workers are willing to commute or relocate;
- III. Who meet the requirements of WIOA §134(3)(B); and
- IV. Who are determined to be eligible in accordance with the priority system in effect under WIOA §134(3)(E).

According to TEGL 19-16 §11, In addition to providing career and training services to individuals who are unemployed, a significant number of job seekers are underemployed. Examples of underemployed individuals are:

- Individuals employed less than full-time who are seeking full-time employment;

- Individuals who are employed in a position that is inadequate with respect to their skills and training;
- Individuals who are employed who meet the definition of a low-income individual in WIOA sec. 3(36); and
- Individuals who are employed, but whose current job's earnings are not sufficient compared to their previous job's earnings from their previous employment.

Individuals who are underemployed and meet the definition of a low-income individual may receive career and training services under the Adult program on a priority basis per TEGL 19-16 §10. Individuals who meet the definition of an individual with a barrier to employment who are underemployed may also be served in the Adult program; however, unless they are a recipient of public assistance, a low-income individual, or are basic skills deficient, they are not eligible for service on a priority basis.

Procedures for the Delivery of Training Services

- Eligible participants must be ranked in terms of the Priority Group of each participant, with Priority Group "1" participants at the top of the list and Priority Group "4" participants at the bottom of the list.
- All Training Services should be assigned according to priority group. The WOWDB Board exception to priority occurs when a participant is enrolled in OJT or Apprenticeship training. In these cases, the employer has interviewed and selected the participant they wish to proceed with. In these cases, the skills and aptitudes desired by the employer will outweigh the priority group ranking.
- If two or more equally-ranked participants are available for enrollment into a Training activity, the One-Stop Operator, in conjunction with the Service Provider, may implement a participant selection process consistent with WOWDB Policy. At all times, the selection process must be designed to provide an equal opportunity for referral. An unbiased random selection process may be used.

Authorization for Clarifications and Additions

The WOWDB Executive Director is authorized to issue additional instructions, guidance, approvals and/or forms to further implement the requirements of this policy, without making substantive change to the policy, except in situations when a new or updated state and federal guidance is issued.
